Breaking News

Congratulations Graduates!

Congratulations to all graduating students! We have worked with many of you throughout the years and we wish you good luck and success in your life after college. Remember, the CCSE serves alumni from CBS and IT for one year after graduation, so if you need to look at our resources or speak with a career counselor, you are welcome to come back in!

Tell Us About Your Job, Internship, or Co-op!

The CCSE asks all students to notify our office about new internship or co-op offers and students graduating in the 2007-2008 academic year to notify us about new job offers or graduate school acceptance. Any employment information provided to the CCSE is kept strictly confidential. To show our appreciation for your help, students who fully complete the survey about their offers or graduate school acceptance will be entered into a drawing to win an iPod or a \$100 gift certificate!

For all students - to report a new internship or co-op offer, please go to this website and fill out all the fields:

<http://www.surveymonkey.com/s.asp?u=40213103004>

For students graduating in the 2007-2008 academic year - to report a new job offer or graduate school acceptance, please go to this website and fill out all the fields:

<http://www.surveymonkey.com/s.asp?u=560661700515>

Save the Date! IT Fall Career Fair

The IT Fall Career Fair will be held on Tuesday, September 30 and Wednesday, October 1 from 10 a.m. to 4 p.m. in the Great Hall, Coffman Memorial Union. More information on the fair will be available in June 2008 – check the CCSE's website.

Starkey's Spring Job Fair

Wednesday, May 7, 2008

2–7 p.m.

6425 Flying Cloud Drive, Eden Prairie

For more than 40 years, Starkey has been passionate about giving every employee room to grow. As the world leader in comprehensive hearing solutions, we owe our success to our associates. When you join our team, we make sure you have the tools you need to reach your full potential. We currently seek a variety of talented people to fill various positions in the following areas: engineering, IT, manufacturing, material management, project management, sales, software engineering, and technical management. For more information, visit <http://www.starkey.com/careers>.

International Student Virtual Career Fair

This program is designed to connect employers who have global recruiting needs to international students studying in the United States and currently includes 55 employer organizations. The fair is open to all international students earning Associate, Bachelor's, Master's, or Ph.D. degrees. You are eligible to participate in this career fair if you:

- wish to return to your home country for full-time or internship opportunities
- are currently pursuing one-year Optional Practical Training (OPT) and/or long-term opportunities in the United States
- are currently pursuing summer Curricular Practical Training (CPT) internships in the United States

For more information and to register for the fair, go to <http://asp.symphlicity.com/nacelinkvcf/>. The fair will be open through May 16, 2008.

General Office Information

Career Center for Science and Engineering (CCSE)

50 Lind Hall

207 Church Street SE

Minneapolis, MN 55455

For appointments, call 612-624-4090

Summer Hours

The CCSE will be open Monday-Friday from 8 a.m.–5 p.m. during the summer break. The last week for spring semester walk-in hours will be May 5th–9th. The CCSE will not hold walk-in hours during finals week or during the summer break. Appointments with career counselors will be available. Walk-in hours will start again in the fall semester.
